

IMA is continuing our organic milk program for school, and we would like your input. We work with Sassy Cow Creamery as they are local and provide organic milk from pasture-raised cows. Their farm is also relatively close, and the children are able to visit the cows and see how the farm is operated.

The cost for the milk program is \$25 each semester and \$25 for the IMA Summer Program.

Please let us know if this would be something that your family would be interested in by checking one of the boxes below.

YES, our family would like to be a part of a school milk program in partnership with Sassy Cow Creamery.

Whole milk 2%

NO, our family would like to provide our own beverages for the school day.

Comments:

*Please return this sheet to school before August 3rd, or feel free to email your response to administration@isthmusmontessoriacademy.org with "milk program" in the subject line.

Thank you for your help!
