Support Montessori education for all Madison children!

On October 7th, Isthmus Montessori Academy will be hosting the 5th annual Race to the Finn at Burrows Park. All proceeds benefit the Finnegan Ringdroski scholarship fund. We would greatly appreciate any donation of money that you or your business would be willing to give. The scholarship will go toward a family who needs assistance with childcare. **You can:**

***Be a Silver Level Sponsor: Donate a Gift Certificate or Supplies for the Race**

***Be a Gold Level Sponsor: Donate \$100 and your name or logo appears on our race T-Shirts**

***Be a Platinum Level Sponsor: Donate \$500 and your name or logo appears on race T-Shirts and banners**

IMA will provide public thanks and acknowledgement of your business at the event.

Isthmus Montessori Academy is a school on Madison's Northeast side (1402 Pankratz Street) that is dedicated to helping children achieve their greatest success, develop independence and live with genuine kindness to others and the world. We currently enroll students from 2 months to 15 years old in programs that develop environmental awareness, build strong academics, connect students to their community, and encourage children to reach their own unique highest potential.

This race and scholarship is very close to my heart because it is named after our son, Finnegan who passed away on January 5th, 2013 from a brain tumor at the age of 2. Finn's twin sister, Evie has attended IMA since she was two and a half.

Please feel free to contact me with any questions regarding your donation. Thank you for helping make a Montessori education available for every child in Madison.

Sincerely,

Nicole Mondroski (Finnegan Ringdroski's Mom)
