Isthmus Montessori Academy

This is to verify that the above named school, located at 1802 Pankratz Street, Madison, WI has been approved for AMI/USA Associated (Provisional) status for the 2020-2021 academic year. "Provisional" indicates a program entering for the first time and confirms that the program documentation submitted meets the standards for recognition but that it may be operating under local constraints due to the pandemic. This approval extends to children ages 0 to 3.

The AMI/USA Associated Recognition Program was established to

- validate the quality of schools that aspire to become AMI recognized,
- provide authentic consultations by specially trained personnel,
- provide initiative for pedagogical improvement, and
- offer association with AMI, the world's oldest and largest international Montessori organization, established in 1929 by Dr. Maria Montessori.

AMI/USA is pleased to acknowledge the efforts and commitment of **Isthmus Montessori Academy** to providing a high standard in its Montessori education for the children of their community.

We wish your school community all the best!

Sincerely,

Ayize Sabater, EdD
